Three Hundred and Fifty Meals Prepared and Served during the Holiday Season

LBPA partnered with Little Black Pearl's *Carver 47 Experience Cafe' and Westfield*, a partnering organization, where we were fortunate to provide cooked meals to 350 individuals and families.

Approximately 80 students and their family members received these meals. The other 220 meals were distributed to different senior facilities around the city. We were very happy that in spite of the losses and challenges faced because of the Covid crisis, we still were able to serve our communities.

Thank you for your support and we will continue to do what we can to be supportive of our students, families and community

CELEBRATING JANUARY BIRTHDAYS!!
